# introducing **ABOUTUS**

Established in 2021, our company has been at the forefront of the creative industry, handling a wide range of major projects. Our expertise spans video making, film production, ad creation, music mixing, event production management, editing, and photography. Over the years, we have successfully completed numerous prestigious projects, creating stunning visual memories for our clients. Our dedication to capturing the essence of every moment has made us a trusted partner for those seeking photogenic and videogenic visual memories.

T I C L O P A Y K

"Turning moments into memories, and stories into timeless visuals.  
From the spark of an idea to the final frame, we craft each project with  
passion and precision.  
Our dedication to creativity and excellence shines through in every detail.  
Capturing the essence of every moment, we transform experiences into art.  
With us, your memories aren't just preserved—they're celebrated in vivid,  
breathtaking detail."

# *work* **EXPERIENCE**

In our work experience, we have had the privilege of collaborating with top clients in the music industry, creating impactful music videos and promotional content. We played a pivotal role in organizing and managing the world's first Santoor Day, celebrating its cultural significance. Additionally, we successfully executed the high-profile corporate event Founder's Meet 2.0, ensuring a seamless production and memorable experience for all participants. Moreover, we served as production and visual direction leads for the podcast team KA CHALO, enhancing the quality and engagement of their content.

# project **PORTFOLIO**

This portfolio page showcases our standout achievements in three pinnacle events that define our expertise and innovation in the industry.

**01**

## **Music & Art**

We covered events for classical musics, dance and other art forms

**02**

## **Founder meet**

Our top notch corporate event where we showcased our videography and photography skills.

**03**

## **KA CHALO**

We were part of podcast team and were media production of a newly formed podcast unit

# MUSIC AND ART

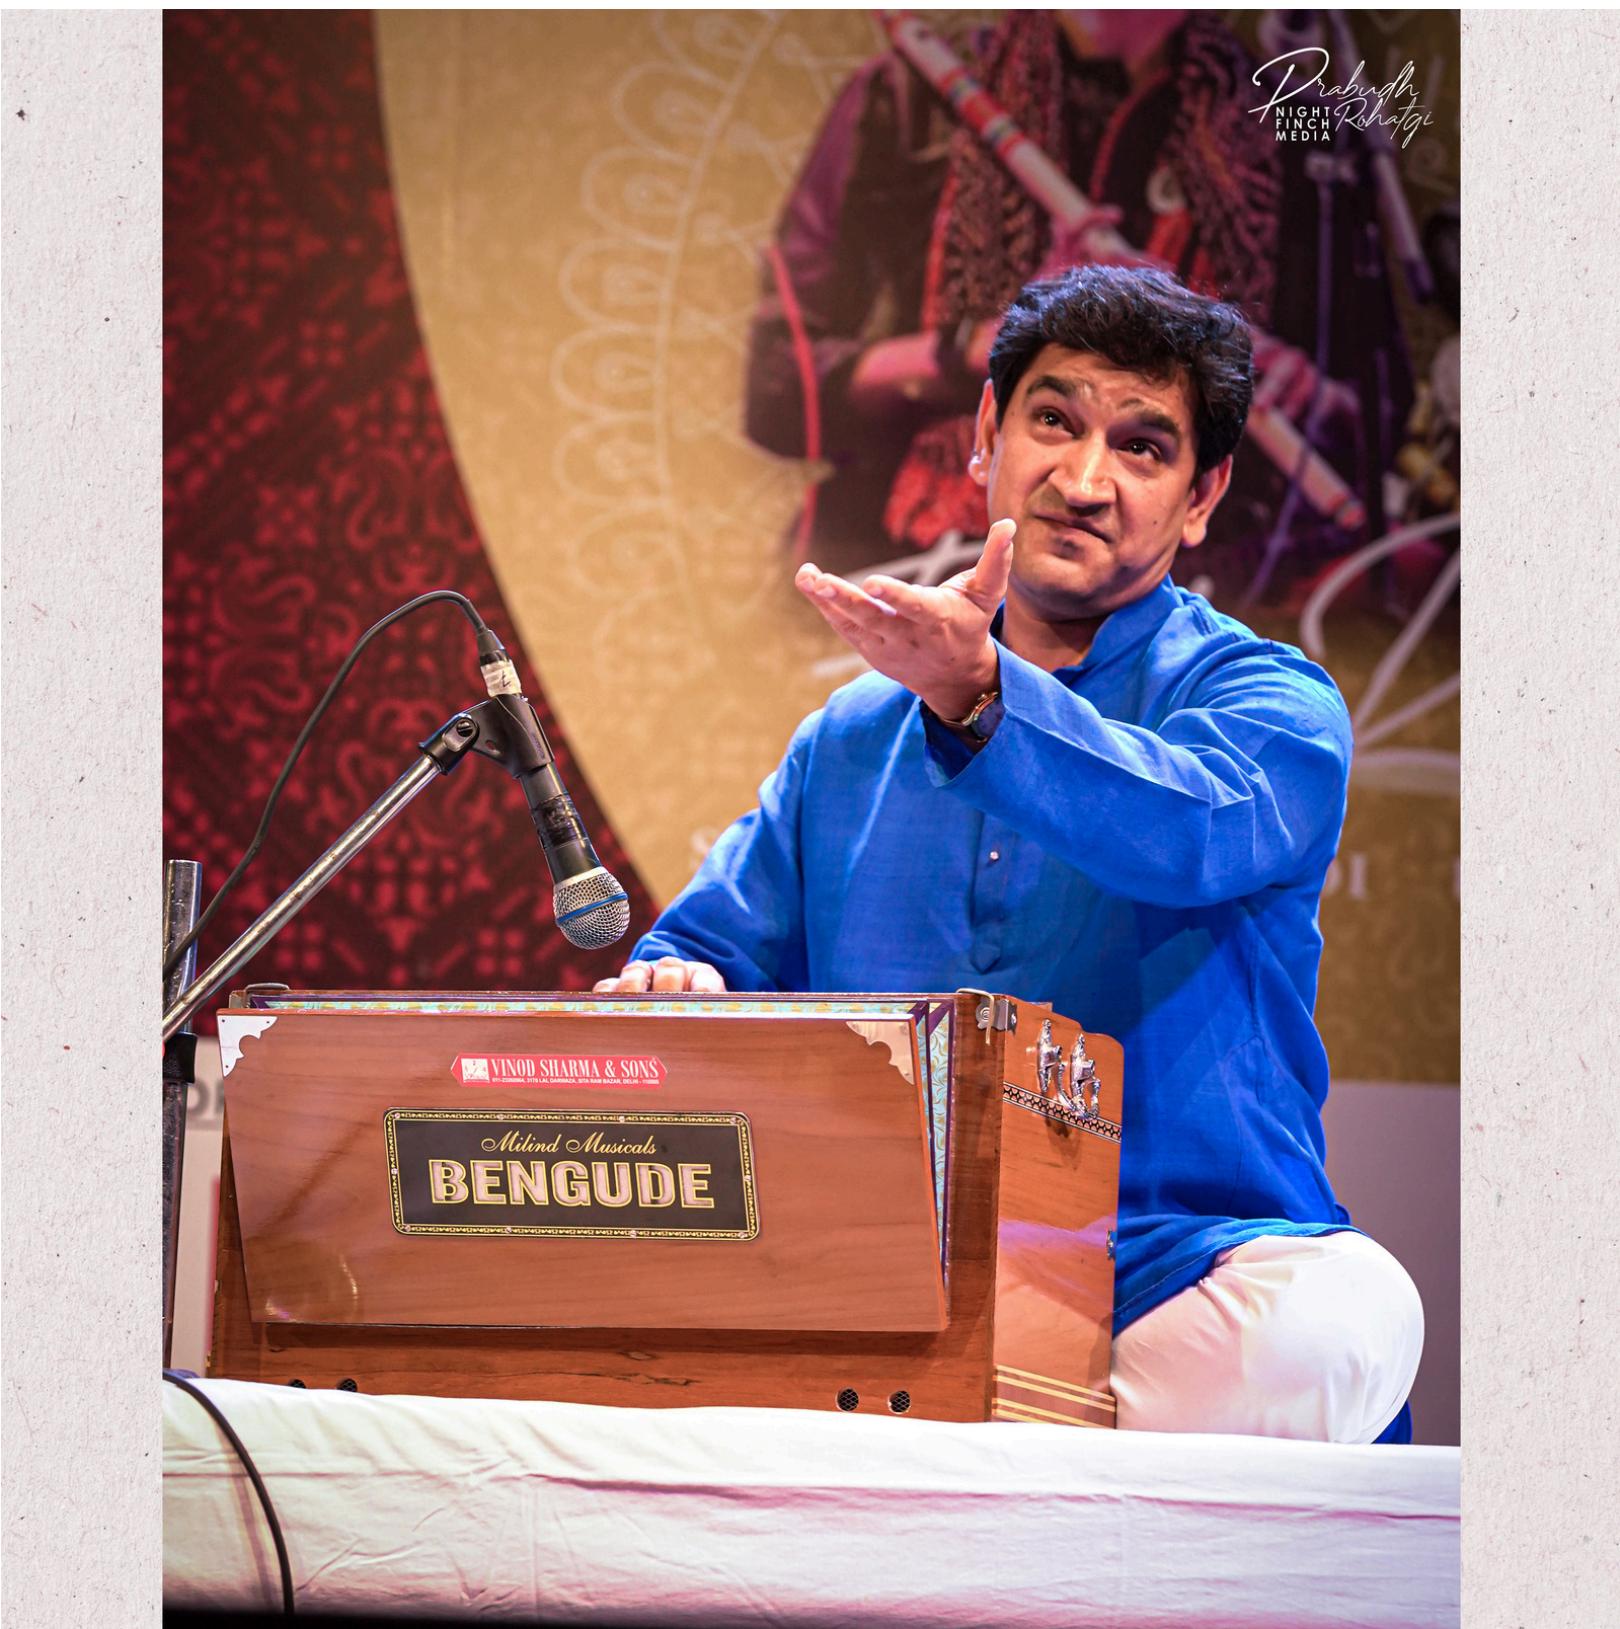

We have covered top-notch musical events and are renowned as leading media partners specializing in art form-based productions. Our expertise and creativity make us a trusted name in the industry.

# FOUNDER'S MEET

We achieved remarkable success as media partners for a prestigious corporate event, where we expertly covered a meet and greet featuring India's top startups. Our comprehensive coverage captured the essence of the event, highlighting key moments and interactions, showcasing our ability to deliver high-quality media production for corporate gatherings.

# PODCAST

We are proud to announce our role as media partners for the podcast team KA CHALO. Through extraordinary ideas and creative podcasting, we contributed by creating graphics, videos, music, sound editing, and other essential works, elevating the overall production quality and listener experience.

# ~~notable~~ PROJECT

What if we say we are way above our competition and still won't flex it? We are very proud to announce that we were the first-ever media partners to cover the world's first Santoor Day, approved by UNESCO. This landmark event was acknowledged by famous musicians like AR Rahman and featured many renowned pandits and ustads. Our exceptional coverage and dedication made this celebration a memorable success.

# ~~notable~~ **PROJECT**

BENGAL  
INTERNATIONAL FILM  
FEST AWARC

In collaboration with AGLET and RAMP, we ventured into the world of filmmaking with our award-winning short film, TICLOPAYK. This captivating project, celebrated for its creativity and impact, garnered nominations across multiple film festivals and proudly won the Bengal International Film Festival award for best low-budget short film. Our relentless pursuit of excellence and innovation truly sets us apart in the industry.

# Story Time

In collaboration with AGLET and RAMP, we ventured into the world of filmmaking with our award-winning short film, TICLOPAYK. During this journey, we had an unexpected encounter with Piyush Mishra from 'Gangs of Wasseypur'. He happened to read our script, and to our delight, he was impressed. His invaluable guidance and blessings fueled our passion and creativity. This captivating project, celebrated for its impact, garnered nominations across multiple film festivals and proudly won the Bengal International Film Festival award for best low-budget short film. Our relentless pursuit of excellence and innovation truly sets us apart in the industry.

# **THANKS FOR WATCHING**

Hope you've enjoyed our work! Let's create unforgettable memories together, where joy meets timeless excellence.
